

Penn Township Park Committee Agenda: 8-21-25 Harcrest Park

Call to Order 6:00pm:

In Attendance: Morgan Rau asked to be excused.

Approve Minutes from May 22nd and July 17th:

Motion__ 2nd__

Audience participation:

Old Business:

- Pedestrian bridge is looking to be too expensive for the ADA trail, so we are going to look into an aluminum box culvert.
- Bike maintenance station has been installed. Thanks to Mr. and Mrs. David Burni and Penn Glade Lions for the donation.
- Community Day was successful, but hot. Lots of positive comments about the park.

New Business:

- With the tree order for the ellipse, we approved purchasing an extra 25 trees (Sam's idea) since we are already paying for shipping. Park Committee members available for planting? Storage of the trees?
- Shade pavilion is to be delivered this month. It can be kept in the storage building until we are ready to put it together.
- Two possible bench donations maybe coming. The cost of a bench has gone up significantly, they are now \$2245.00. The Township raised the donation from \$1000.00 to \$2033.00 about two years ago.

Disc Golf discussion: Cameron Weber
