**NEW BUSINESS:**

125 trees were ordered from “million trees across Pa., yellow birch, silver maple, white oak, sugar maple and sycamore

Discussed changing the horseshoe pits to cornhole. Horseshoe pits are not being used.

Disc golf course. Guest Cameron Weber gives an interesting and informative presentation on disc golf. He has some suggestions to improve the course at Harcrest. These improvements entail moving the course away from crossing the walking trails, replacing the baskets and lengthening the tee pads. Cameron is involved with disc golf leagues and feels these improvements can be made at little to no cost to the Township. He is aware the course was an Eagle Scout project and wants to keep it recognized as one. He would like to involve the local Boy Scouts with the improvements.
